1. A fourth session of the joint committee, firming a draft of the subject plan for CS/DA, was held on 15 February. The undersigned received timely general guidance between sessions of the committee working on this paper from Acting DADPC and C-EE Division, including particular direction on items which it was considered could be better phrased in order to define and safeguard CIA's interests (see paragraph 2, Tab "D").

2. A final, Service-agreed copy of the plan (copy 1 of 75, TS 59714) is attached hereto, Tab "E."

3. Copies of the final draft of the plan (Tab "E") have been dispatched to CINCPAC by courier to arrive 17 February. Copies for CIA's principal representative, the [REDACTED], and the [REDACTED] Staff were included. A telecon session has been scheduled for 20 February, with all interested Services participating. The purpose is stated in paragraph 7, Tab "C."

4. In view of the significance and import of the tentatively scheduled telecon session on 20 February, I recommend that a top-bracket representative of both ADPC and ADSC be present, and certainly the Chiefs or fully authorized representatives of the EE and SE Divisions.

5. I further
